

# L&T Power Training Institute Undergraduate (UG) Industrial Webinar

Specialized E- Learning program for Mechanical Engineering students  
to enhance industrial exposure & employability

Faculties- Experienced  
Industry Practitioners

Do's and Don'ts  
of interview

Understanding with  
actual site photos

**Start date: 11.05.2020**  
**Duration: 13 Webinar Sessions**

**E-Learning Fees  
(Part I \*\*)**  
**₹2000/-**  
(Including GST)

Laboratory sessions and Site visits shall be conducted in Part II (\*) of Training program  
once normalcy is restored from COVID-19.

**REGISTRATION LINK**  
<https://tinyurl.com/y8rgcwm8>

Certificates will be awarded on successful completion of each Part of training.

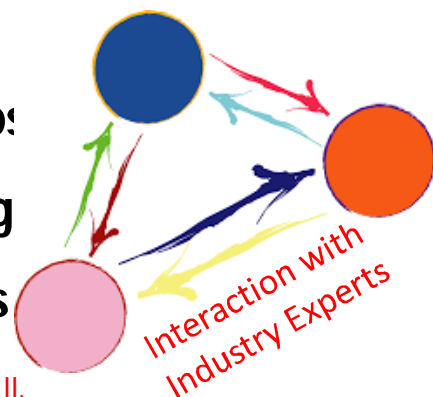

**"1200+ Students Trained in two years"**

## MECHANICAL ENGINEERING

### Training Topics- Part I

- Mechanical Engineering Applications
- Overview of Coal Based Thermal Power Plant
- Steam Generation & Industrial Boilers
- Steam Turbine & Gas Turbine
- Industrial Heat Exchangers
- Air System & Industrial Fans
- Water Systems & Water Treatment Plant
- Fluid Handling System & Industrial Pumps
- Fluid Handling System & Industrial Piping
- Fluid Handling System & Industrial Valves

• Duration & Course fee for Part II of Industrial Training shall be announced later.

\*\* Students enrolling for Part I of training will get special discount while registering for Part II.
