

Shantilal Shah Engineering College, Bhavnagar

Production Engineering Department

Student start-up and Innovation Policy

Brief report on seminar on Business ideas and provisions for funding by the Government organized on 2.8.2019, from 2:30 p.m.

A seminar on the theme of skimming business ideas and provisions for funding by the Government was organized at the institute for pre-final and final year students from B.E. (Production) program. Mr. Lalit Jajoo, District Industry Officer, from District Industry Center, Bhavnagar graced the occasion as an expert.

The primary focus of the talk was to orient the students with the present scenario of flourishing start-ups, and the new business ideas which are coming up and recent times. Mr. Jajoo, in his speech, narrated his own experiences of evaluating various business ideas. Mr. Jajoo elaborately dwelled upon numerous schemes of the Government for funding and technical support for a budding entrepreneur. Mr. Jajoo also took questions from the participants on various aspects of the stages of establishing start-up. Participants were made to realize the need of the day to look to set-up an enterprise rather than typically look to find a job.

This very informative seminar concluded with words of motivation from the event co-ordinators, Dr. U.K. Chhaya and Dr. M.D. Vadhvani.
