Date: 26/07/2018

Training & Placement cell organized two seminar sessions on 'Ease of doing business' in association with District Industries Center on 24.7.2018 and 25.7.2018 for the final year students of all branches.

The seminar covered all important aspects of provisions made by the central & state governments and various schemes for promoting setting up of business endeavors. Sessions of informative seminar were conducted by industries officer Mr. Lalit Jajoo on first day and by Mr. Haresh Vikani, Manager, DIC, on the second day.

The program has been very well received by the participating students. Few pictures of the sessions are as below....
